Re: Endorsement for At Larger Director Seat

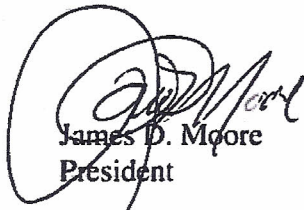

Dear Mr. Piester:

The Maryland Building Officials Association, MBOA, respectively supports the candidacy of Mr. Alan Boswell for the position of At Large Director of the International Code Council.

We at MBOA have reviewed his resume, credentials, and past service to the ICC and believe that he possess the qualifications to be elected as a member of the Board of Directors for ICC. The MBOA believes that his experience and service to ICC will be an asset to the Board of Directors.

MBOA unanimously supports Mr. Boswell's quest for the position of At Large Director of the ICC organization.

Respectfully,

**James D. Moore**  
President

CC: Mr. Dominic Sims, CEO ICC  
Mr. Alan B. Boswell
