Re: Support for Jack Applegate, Candidate for Director at Large

Dear Chairman Tom and Members of the Nominating Committee,
On behalf of the Building Officials Association of Florida (BOAF), an ICC State Chapter with more than 3,000 members, it is my privilege to extend our greetings and express our strong support for Jack Applegate as a candidate for Director at Large of the International Code Council.

Mr. Applegate is widely respected for his leadership, professional expertise, and long-standing service to the building safety community. He has consistently advanced ICC's mission by contributing to efforts that improve code development, promote professional education, and enhance public safety. His career demonstrates integrity, vision, and a proven ability to engage diverse stakeholders in meaningful collaboration.

We believe Jack Applegate exemplifies the qualities necessary to serve with distinction as Director at Large on the ICC Board of Directors, and we respectfully urge the Nominating Committee to join us in supporting his candidacy.

Sincerely,

Eve Spencer

President
