

COUNTY BUILDING OFFICIALS ASSOCIATION OF CALIFORNIA

Presents

2018 Permit Tech Institute

Instructor Bio

Tim Ryan served the City of Overland Park for 40 years; all in the Building Safety Division. He served that community as a field inspector, plans examiner, field supervisor and as Code Administrator from 1998 until 2017.

He currently serves as the Executive Director of the International Building Officials Association and as a National and International Code Consultant. Tim graduated from Pittsburg State University with a Bachelor of Science Degree in Construction Management and Technology in 1978. He is certified in 15 separate categories of building code administration and management.

During his career, he has served on approximately 30 task force groups, ad hoc and administrative committees at the local, state, and national levels. He is well recognized as a public speaker and is highly regarded as an instructor on several topics of building and fire codes, legal aspects, leadership, and management.

Course Description

This institute is designed to educate permit technicians with, skills and abilities necessary to perform their jobs more effectively. Topics covered include code administration, legal aspects, code language, code enforcement, reading construction documents and the permitting and inspection process. Participants will become familiar with the International Building Code® (IBC®) and the International Residential Code® (IRC®) and sharpen their customer relations skills.

The following course references are included with this Institute:

- Basic Code Enforcement (.PDF Download)
- Permit Technician Study Companion (.PDF Download)
