RE: Jack Applegate Nomination Support for the position of Director at Large, on the ICC Board of Directors.

Dear Chairman Tom and Nominating Committee,

The Colorado Chapter of the International Code Council takes the request for letters of support from ICC candidates very seriously. As an active chapter, we are committed to ensuring that the candidates we endorse will strengthen succession planning at both the ICC Executive and Board of Directors levels.

In our deliberations, we considered several key factors, including:

- Demonstrated involvement in ICC.
- Active participation with the Colorado Chapter or their respective state chapters.
- Vision and leadership for the future.
- Focus on business goals and outcomes.
- Energy and ability to engage others.
- Commitment to diversity.
- Awareness of upcoming leadership transitions, as many current board members will retire in the next five years.

After reviewing Mr. Applegate's resume, credentials, and contributions as an active ICC member, we believe his experience, vision, and leadership will be an asset to the Board of Directors and to ICC as a whole. The Colorado Chapter fully supports Mr. Applegate's nomination for the position of Director at Large on the International Code Council Board of Directors.

Respectfully,

Nate Romero

Nate Romero
President,
Colorado Chapter of International Code Council

The Colorado Chapter of the International Code Council is dedicated to the improvement of building safety, by promoting and improving the International Codes, educating the building industry, public and our membership, and providing mutual aid to building professionals.
