**RE: Support for the Nomination of Steve McDaniel for Vice-President of
the International Code Council**

Dear Chairman Tom and Nominating Committee,

The Colorado Chapter of the International Code Council takes the request for letters of support by ICC candidates very seriously. Our Chapter strives to endorse candidates who demonstrate leadership, vision, and an ongoing commitment to the mission of ICC.

We want to recognize and support the service of Mr. Steve McDaniel as a member of the current Executive Committee. His contributions to ICC governance, his thoughtful leadership, and his dedication to advancing both the organization and its membership have been evident throughout his tenure.

We are confident that Mr. McDaniel will bring the same energy, strategic focus, and collaborative spirit to the office of Vice-President that he has shown in his work on the Executive Committee. The Colorado Chapter ICC is honored to support his candidacy for Vice-President of the International Code Council, and we look forward to his continued leadership.

Respectfully,

Nate Romero

Nate Romero
President,
Colorado Chapter of International Code Council

The Colorado Chapter of the International Code Council is dedicated to the improvement of building safety, by promoting and improving the International Codes, educating the building industry, public and our membership, and providing mutual aid to building professionals.
