## **A message from our Director regarding Continuing Education requirements for 2026 Journeyman & Master Certification Renewals**

**Please note: This does not affect renewals for 2025 certifications.**

Dear Certified Plumber/Gas Fitter:

You are receiving this correspondence because the Plumbers & Gas Fitters Examining Board has adopted Continuing Education requirements that must be acquired prior to November 1, 2025, in order to renew your certification for 2026.

The requirement for continuing education applies to all individuals who hold certification in the following categories: Journeyman Plumber; Journeyman Gas Fitter; Master Plumber; Master Gas Fitter.

Individuals who held certification(s) in any of those categories in 2024 will be subject to acquiring 4 hours of continuing education regardless of the number of certifications held. Individuals who hold certifications for both plumbing and gas must acquire 2 hours of education for each certification held.

Beginning January 1, 2025, you will be able to go to our website [www.pgfb.alabama.gov](http://www.pgfb.alabama.gov) and select the Licensee tab where you will see a tab on the bottom right side of the page. This is the CE Class/Provider Search. There you will find a list of approved continuing education providers and the classes that they offer. The list of providers may not have a large list of providers and classes initially, but as the Board receives and approves requests from additional providers, the list will continually be updated.

Included with this letter is a list of frequently asked questions and answers to help clear up any confusion regarding the continuing education requirements. To view the full text of the administrative rule that prescribes continuing education, please do the following: Go to our website [www.pgfb.alabama.gov](http://www.pgfb.alabama.gov) and select the Licensees tab, then select the Law & Rules tab, then select The Rules and Regulations of the Plumbers & Gas Fitters Examining Board. The new rule is 720-X-21.

Very truly yours,

James M. Morgan  
Executive Director
