General Announcement

2024-2026 Cycle Committees

(Supports the Development of the 2027 I-Codes)

Volunteers are one of the most important assets of the International Code Council. Their work on the ICC Board of Directors, committees and councils is directly related to the success of ICC. It takes the time and expertise of many individuals working through the numerous ICC committees to shape the Code Council into the world-class membership organization that exists today.

This "Call for Committee" provides another great opportunity to serve impacting the lives of almost 2 billion people globally. Listed below are the specific Calls for Committee for the following committees:

- 2024/2025/2026 Code Development Committees. Application deadline June 1, 2023.
• 2024/2025/2026 Code Interpretation Committees. Application deadline June 1, 2023. Interpretation committees are a great place to get started if you are new to the code development process as well as increase your working knowledge of the codes process as it relates to the built environment and real-world implementation considerations.
• 2024/2025/2026 Code Correlation Committee. Application deadline June 1, 2023.

Applications

Applications are now completed online to help accelerate the committee selection process.

ICC Membership Requirements

Membership in ICC is not required to serve on any ICC Codes, Standards, or Guidelines committees.

- The IECC and ICCPC (Performance Code) are maintained through the ICC Standards Development Process.

The codes will be grouped into two cycles. Group A codes will be processed in 2024, and Group B will be processed in 2025.

Each cycle will start with a code change submittal, utilizing ICC’s [online cdpACCESS](#) submittal process, with code changes due in January of the applicable year (approximately one week following the New Years’ holiday). This is followed by the posting of the code changes and then the two Committee Action Hearings (CAHs). The purpose of this call is to solicit applications for code committee members to preside over the **TWO** Committee Action Hearings (CAH#1 and CAH#2) noted below.

At the CAH#2 the respective Code Development Committee (CDC) will consider comments in response to the committee’s decision during CAH#1 in accordance with CP 28.

Group	Description	Dates	Location *
A	Group A Code Committees considering 2024 code change proposals at the 2024 Committee Action Hearings (CAHs).	CAH#1: April 7-16, 2024 CAH#2: October 23-31, 2024	Orlando, FL Long Beach, CA
