Women Leaders in Code

In the
beginning...

*It all started
with a dream...*

The dream

Navigating the pitfalls of the dream

The unspoken language

Find a way make
a way

It's not
always
what it
seems

Navigating the
unexpected
outcomes of
the dream

Defeat, Heartbreak, & Tay Tay

Know the Difference

Barriers

Obstacles that prevent Movement or Access.

- Legit Get-In-Your-Way'ers
 - (Facts – Reasons)

Excuses

All the things you tell yourself in the process of convincing yourself that "YOU CAN'T"

Growth

1. Self-development

You want it?..... GO GET IT

Perseverance

And so
there I went

Resiliency

1. Learning from your obstacles
2. Never giving up
 - No means "Next Opportunity"
3. It requires the ability to adapt to changing circumstances and continue moving forward.
 - PIVOT!!

Growth

What does this
mean for you?

What does it
look like for you?

Visualize your
future self!

Manifest that stuff!!

Includes

1. Self-development
2. Gradual improvement
3. Opportunities
4. Creating pathways
 1. If you want them to succeed, learn what success looks like for them
 2. And help them get there

Lead the charge

“If you’re talking about it, you’re not doing it. Stop talking about it and start doing it!”

And when you get there –
Pay it forward

It starts with a Dream

Add faith,
and it becomes a belief.

Add action,
and it becomes a part of life.

Add perseverance,
and it becomes a goal in sight.

Add patience and time,
and it ends
with a dream come true.

~D. Zantamata

I am my parents dream come true
