

Chris Brunette

Chris has spent the last 20 years serving in various roles and capacities with a number of fire agencies, both as a volunteer and career firefighter and continues to volunteer for his local volunteer fire protection district today. Chris joined the State of Colorado in January 2009 and his team was transferred to the newly formed Division of Fire Prevention & Control (DFPC) in the Fire & Life Safety Section in 2013.

With DFPC, he has filled various roles from Fire Inspections Unit Chief to Fire Plan Review Unit Chief, to now leading as the Section Chief. Chris holds a Master's Degree in Organizational Leadership, is a credentialed and certified Fire Marshal, is an Executive Committee member and one of the founders of CRR Week, and is currently serving as the Strategy 1 (Advocacy) Leader for Vision 20/20. In addition, he is the Vice Chair for the ICC IBC-Egress Committee and is a principal member of the NFPA Building Fire and Life Safety Directors and Hot Work Operations Committees.
