Distinguished Committee Members:

Please accept this letter as my formal request to the 2022 Nominating Committee of my intent to be considered for the position of Secretary/Treasurer of the Board of Directors for the International Code Council at the 2022 Annual Business Meeting in Louisville, KY.

It has been an honor to serve as an At-Large Director of the International Code Council for the past five years and to be a part of the International Code Council for over 16 years in many capacities. During my terms as an ICC Board Director, I have served on several of the committees that I believe have prepared me for the next step of seeking the Secretary/Treasurer's position. It is a major commitment to serve on the ICC Board of Directors and the commitment to serve on the Executive Committee is even greater. I am aware of this responsibility and am prepared to meet and exceed those expectations.

I have worked diligently during my service on the Board of Directors to educate myself on all the issues to make decisions that best serve the organization, along with the membership, and hope to continue to do so in the Secretary/Treasurer's position. I believe that I have helped advocate for resources for the membership, to raise their profiles, and increase professionalism within our industry. I have also worked to help move ICC forward toward achieving the established Vision 2025 Strategic Plan. Lastly, I have worked to ensure that our ICC organization continues its core mission, to create the best products and services, therefore ensuring that ICC continues to remain a leader in the building safety industry not only nationally but also globally.

I look forward to the opportunity to run for the position of Secretary/Treasurer of the ICC Board of Directors. I would consider it to be an honor to continue to serve the members of the International Code Council in this role. I would appreciate the Committee's consideration and seek the privilege of their recommendation of the position of Secretary/Treasurer for the ICC Board of Directors to the ICC membership.

Please feel free to contact me by phone (509)760-8867, or by email at either my personal email baseballgame14@gmail.com or my ICC email dspencer@iccsafe.org. I thank you for your consideration and I look forward to seeing the committee in Louisville.

Respectfully,
