**RE: Letter of Support for Mr. David Spencer – Vice President**

Dear Chairwoman Davis:

As you know, Mr. David Spencer of Adams County, Washington seeks the endorsement of the International Code Council (ICC) Nominations Committee as a candidate for Vice President of the Board of Directors. The purpose of this letter is to voice California Building Officials' (CALBO's) endorsement of Mr. Spencer and his candidacy. Hopefully our endorsement of Mr. Spencer will be of assistance to you and the Nominations Committee as his candidacy is evaluated.

As the largest chapter of ICC, CALBO has a vested interest in promoting only the most qualified of candidates for the Board of Directors. We look for geographic diversity, background, and commitment to the code official profession, demonstrated achievement and a strong understanding of contemporary issues affecting California and the west coast. CALBO has held a solid relationship with Mr. Spencer for years, working with him in a variety of capacities. We were pleased to support him last year in his quest to join the Executive Committee, and since that time, we have watched his commitment to the membership only grow. We feel that Mr. Spencer has shown leadership in each of these aforementioned areas and is therefore worthy of continued service on the Executive Committee of the ICC Board of Directors.

Should you have any questions about CALBO's endorsement of Mr. David Spencer, please feel free to reach out to me directly. I look forward to personally supporting Mr. Spencer's promotion in St. Louis.

Sincerely yours,

**Brad Wungluck, C.B.O.**  
President
