RE: ICC Board Nomination for David Spencer

Dear Chairman Bryant and Members of the Nominating Committee:

As President of the Chemeketa Chapter of the International Code Council I am writing on behalf of our student chapter in support of David Spencer for reelection to the ICC Board of Directors at the 2021 Annual Business Meeting in Pittsburg, Pennsylvania.

David Spencer's nomination was discussed by the Chemeketa Chapter at our March and April meetings. Unanimous consensus was given by the membership to support David as he seeks reelection. We support David for the following reasons:

- David has attended our chapter meetings remotely on at least three separate occasions in the last school year. He keeps us informed of opportunities and changes happening at ICC.
- David is involved, engaged, and contributes valuable insights to our chapter.
- David is encouraging - He offers his excellent perspective as we seek to become code professionals.
- David stresses the power of networking and getting involved in ICC activities, including Building Safety Month, Safety 2.0, and Emerging Leaders Membership Council.

The Chemeketa Chapter of ICC is led and organized by students. We learn leadership and networking skills as we pursue a 2-year AAS degree in Building Inspection Technology. Training the next generation of code professionals is something David is passionate about and he has demonstrated this through his involvement with Chemeketa. We strongly and enthusiastically support David's candidacy for reelection to the ICC Board of Directors.

Respectfully,

Brian Cisneros
Chemeketa Chapter ICC President 2020/2021
