**RE: David Spencer Nomination Support for the position of Vice President,
on the ICC Executive Board.**

Dear Chairman Davis and Nominating Committee,

**The Colorado Chapter of International Code Council takes the request for
letters of support by ICC candidates very seriously. We have been a very
active chapter in all aspects of ICC and want to ensure that the candidates
that we support will help further the succession planning on the ICC
Executive and Board of Director levels.**

**Some things that were heavily considered within our deliberations
regarding candidates were: involvement in ICC; active participation with
the Colorado Chapter of ICC or their perspective local State chapters;
vision for the future; business and goal focus; their energy and ability to
get people moving and things happening; diversity; and the committee put
a lot of thought into the fact that many of the current board members will
be retiring within the next 5 years.**

**We have reviewed Mr. Spencer's resume, credentials, and his performance
as an active member of ICC. We believe that his experience and outlook
will be an asset to the Executive Board and the organization. The Colorado
Chapter ICC supports Mr. Spencer's nomination for the position of Vice
President on the International Code Council Executive Board.**

Respectfully,

Janine Snyder
