#### ENDORSEMENT OF ICC BOARD OF DIRECTORS – VICE PRESIDENT

Dear Ms. Davis,

The Los Angeles Basin Chapter of ICC (ICC-LABC) is writing this letter to extend their support and endorsement to Mr. David Spencer as a candidate for the position of Vice President on the International Code Council Board of Directors. This support is applicable to the election and term commencing at the 2023 Annual Business Meeting to be held in St. Louis, Missouri.

ICC-LABC represents 89 local jurisdictions and a major urban area of nearly 10-million residents, covering over 4,000 square miles. Our membership is in full support of Mr. Spencer for the office of Vice President. With his service to the Board for the last few years and impressive resume of dedicated service to both building and fire industry and to ICC, our Chapter is wholly confident in the abilities of Mr. Spencer to continue serving the ICC membership at a higher level of responsibilities, with leadership and vision.

Mr. Spencer has been involved in the construction industry for over 30 years. These experiences and his time on the ICC Board of Directors have prepared him to understand the various perspectives of the membership, chapters, building and fire services, and to understand the ongoing importance of the fiscal responsibilities of the ICC organization. Mr. Spencer has been involved in various other capacities, including code hearings, and exam development committees within our ICC organization for many years.

ICC-LABC believe that Mr. Spencer is the ideal candidate for the Office of Vice President on the Board of Directors for the International Code Council. Our Chapter asserts that ICC will progress into a stronger organization with the leadership that Mr. Spencer will provide to its members. On Behalf of the Chapter, please accept our full support for Mr. David Spencer.

Thank you for your time and consideration.  
Respectfully,

Eugene Barbeau, PE  
ICC LA Basin Chapter, 2023 President
