RE: ICC Board Nomination

Dear Chairman Bryant and Members of the Committee:

As President of the North Central Washington, (NCW), Chapter of the International Code Council I am writing in support of David Spencer for re-election to ICC Board of Directors at the 2021 Annual Business Meeting in Pittsburg, Pennsylvania. His nomination was discussed by the NCW at our February 20, 2020 meeting and a unanimous consensus was given by the membership to support him in this endeavor.

Mr. Spencer is local to this area and is well known in the industry and the state as a code official that has excelled himself in the industry. He has continued to support and mentor many individuals within the various aspects of code administration. Mr. Spencer also has shown a longstanding passion for the building codes. He understands the purpose and the code development process. Mr. Spencer has worked diligently to educate himself on all the issues in order to make decisions that best serve the ICC membership along with the organization. He continues to advocate for resources for the membership to raise their profiles and increase professionalism within our industry.

The North Central Washington Chapter of ICC supports Mr. Spencer's continued service on the ICC Board or Directors, because his experience and passion would continue to serve the ICC organization and its membership well.

Thank you for your consideration.

Sincerely,

Andie Lorenz CBO
President NCWICC
