Mr Chairman and Honored Committee Members,

All members of the Northern Adirondack New York State ICC Chapter wish to proclaim their uncompromising support to candidate David Spencer's reelection as an At-Large ICC Director.

We move without hesitation based on Mr. Spencer's being a consistent advocate for the membership.

Originally, David asked us to know he was a "Man of his word" That is a promise that he has never betrayed. Mr. Spencer has used his words to help all members. He has proved to us that he truly is the "Man of his word" Our members want Mr. Spencer to continue to speak out on our behalf. Mr. Spencer's record shows he will vote for the needs of all members. He continues to honor the past efforts of the average member by never forgetting what it takes and what resources are needed.

As a Chapter we know that Education is the best path to Code Compliant. Mr. Spencer promotes continued educational opportunities.

This past year has been especially hard for our members, to stay informed and work together.

However, we want your committee to know we stand together behind the candidate of Mr. David Spencer in his continuing role as an At-Large Director.

We do not selfishly ask for this consideration, we ask with the knowledge that the entire organization will benefit from Mr. David Spencer remaining on the Board of Directors.

Right now, we need dedicated leaders we can trust. David Spencer has shown himself to be that person.

Submitted with our respect for all your committee's efforts.

James E. Morganson
President, Northern Adirondack ICC Chapter
