RE: ICC Board Nomination

Dear Chairman Bryant and Members of the Committee:

As president of the Western Washington Chapter of the International Code Council I am writing in support of David Spencer for reelection to ICC Board of Directors at the 2021 Annual Business Meeting in Pittsburg, PA. His nomination was discussed by the Western Washington Chapter at our ABM meeting held May 20th, 2021 and a unanimous consensus was given by the membership to support him in this endeavor for reelection.

Mr. Spencer is well known within the ICC organization and our industry as a code official that continues to support and mentor many individuals within the various aspects of code administration. Mr. Spencer has also shown a longstanding passion for the building codes. Mr. Spencer has worked diligently to educate himself on all the issues in order to make decisions that best serve the ICC membership along with the organization. He continues to advocate for resources for the membership, to raise their profiles, and increase professionalism within our industry.

Mr. Spencer's continued service on the ICC Board or Directors because of his experience, passion, and dedication would continue to serve the ICC organization and membership well.

Thank you for your consideration.

Respectfully,

Marc C. Schoenberg
C.B.O.

Western Washington Chapter President
