RE: IDAHO PERMIT TECHNICIANS CHAPTER ENDORSEMENT OF DAVID SPENCER

Dear ICC Nominating Committee Chair and Nominating Committee:

As a representative of the Idaho Permit Technicians (IDPT), I am very pleased to endorse the candidacy of Mr. David Spencer and his election to the 2023 International Code Council Board of Directors as Vice President.

With his experience and previous terms on the Board of Directors, Mr. Spencer's involvement with the International Code Council organization represents his knowledge, commitment, and overall understanding of the various perspectives of all responsibilities of the ICC organization. His devotion to ensure that the organization will continue to grow and remain a leader in the industry is very apparent with all the dedication and hard work he has already contributed.

Mr. Spencer recognizes our contributions as Permit Technicians and Code Officials. He has encouraged and supported our participation at not only a state level, but also as part of Region II. His involvement and passion to serve makes him an asset to all members, the International Code Council, and the public.

Being a continuous member of the Board of Directors of the International Code Council along with all his qualifications makes Mr. David Spencer the best candidate for this position. IDPT is confident that Mr. Spencer's experience, intelligence, and dedication will make him successful as the Vice President of the International Code Council Board of Directors.

Sincerely,

Bobbi Kaufman, President
