RE: IDAHO PERMIT TECHNICIANS CHAPTER ENDORSEMENT OF DAVID SPENCER

Dear Mr. Bryant and Nominating Committee:

As a representative of the Idaho Permit Technicians (IDPT), I am pleased to endorse the candidacy of Mr. David Spencer and his reelection to the 2021 International Code Council Board of Directors as an At-Large Director.

With his accomplishments and qualifications, Mr. Spencer's participation with the International Code Council organization speaks for themselves in representing his knowledge, dedication, and overall understanding of the issues our industry faces every day. It is apparent that he has continued to educate himself to best serve the membership along with the organization.

Mr. Spencer has continually supported IDPT and recognizes our contributions as Permit Technicians and Code Officials. He has encouraged and supported our participation at not only a state level, but also as part of Region II. Mr. Spencer's drive and passion for the industry truly does make him an asset to Idaho, Region II, ICC, and most importantly the public we serve.

In closing, IDPT is confident that Mr. Spencer's resourcefulness, intelligence, and enthusiasm will continue to make him successful with ICC.

Sincerely,

Mrs. Bobbi Kaufman, President
