RE: Oregon Building Officials Association (OBOA) Endorsement

Dear Mr. Bryant and Nominating Committee,

Oregon Building Officials Association (OBOA) is pleased to extend our support of David Spencer for re-election to the position of Director at Large of the International Code Council.

After thoughtful consideration we believe that Mr. Spencer has the background and experience to continue representing the ICC membership. He has demonstrated leadership and dedication to the codes through his extensive participation on committees and within various organizations, and his work on the ICC strategic plan is indicative of his concern and care that ICC is successful and sustainable in the future.

If you have any questions, please feel free to contact me at 503-681-5205.

Sincerely,

Amy Williams
