Re: Endorsement of David Spencer for ICC Director at Large

Dear Mr. Bryant,

The Ohio Building Officials Association, nominations committee reviewed resumes and interviewed candidates seeking support for ICC Board of Director positions. The Nominations Committee took into consideration the candidates previous service on ICC Committees, support of their political jurisdiction, support of other ICC Chapters, geographical location, higher education, professional registrations, licenses, and other service organization memberships. At our monthly board meeting on May 21, 2021, the OBOA officers and directors voted unanimously to accept our nominations committee recommendation to support Mr. Spencer for the position of ICC Director at Large.

As President of the Ohio Building Officials Association and on behalf of our members, I am pleased to announce our endorsement of Mr. David Spencer for ICC Director at Large for a second three-year term. We are confident that David will continue to work hard to fulfill the duties required of a Director at Large and effectively serve the members of ICC.

OBOA member voting designees attending the ICC Conference in Pittsburgh, PA will be participating in the Candidates Forum and Elections to show our support. We would like to thank the ICC Nominations Committee for their consideration and wish them well in their candidate evaluations.

Sincerely,

Nicholas Montan, OBOA President

bcc: Will Coffman, ICC Legal Council

David Spencer, ICC Director at Large
