RE: ICC Board Nomination

Dear Madam Chair and Members of the Committee:

On behalf of the Washington Association of Building Officials (WABO), I am writing to support the election of David Spencer to the ICC Board of Directors for the position of Vice President at the 2023 Annual Business Meeting.

David Spencer possesses exemplary qualifications and has a long-standing background as a code official that will contribute in his abilities to continue serving the ICC membership. Throughout his term as ICC Secretary Treasurer, Mr. Spencer has unceasingly demonstrated to our organization the value of his active engagement with our members. The level of determination and focus Mr. Spencer embodies has consistently shown through and, undoubtedly, extends to his commitment of putting the best interest of ICC and code officials nationwide as a priority.

We are assured that Mr. Spencer will continue to represent ICC's core values and to serve its membership with the professionalism he exhibited throughout his last term; as such, WABO is a supporter of David Spencer's candidacy for the ICC Board of Directors for the position of Vice President. His experience sets a foundation that enables him to build a strong and cohesive ICC membership as well as continue building strong communications and working on state level issues such as middle housing. Mr. Spencer will be able to keep up with ICC's continual changes and growth while also contributing towards advances in code development as well as navigation through an uncertain economic environment, all while maintaining the essence of the members' goals and visions of the organization.

Please accept our endorsement of his candidacy for the International Code Council Board of Directors Vice President.

Sincerely,

Andy Higgins, President  
Washington Association of Building Officials
