RE: ICC Board Nomination

Dear Mr. Chairman and Members of the Committee:

On behalf of the Washington Association of Building Officials (WABO), I am writing to support the reelection of David Spencer to the ICC Board of Directors at the 2021 Annual Business Meeting.

Without question, Dave Spencer's professional career and qualifications will continue to serve the ICC membership well. Our organization appreciates the value of his active engagement with our members throughout his term. We have come to know him as a driven and trusted colleague who has the best interest of ICC and code officials from around the country at heart.

We are very confident in Mr. Spencer's abilities to professionally serve the membership of the International Code Council and therefore support his candidacy for the ICC Board of Directors. We believe Mr. Spencer represents the core values of ICC. He has the experience to build a cohesive ICC membership because he is committed to improving communications with its members and focusing on the code development process. As ICC continues to evolve with the changing methods in which we purchase code books and the issues of increased transparency, we feel that his skill set will continue to be an asset to the ICC Board of Directors.

Thank you for your consideration.

Sincerely,

Kurt Aldworth, President
Washington Association of Building Officials
