Dear Mr. Bryant and Committee Members:

The Wyoming Association of Permit Technicians (WYAPT), a Chapter of International Code Council strongly supports David Spencer, CBO, CBCO for an At-Large Director on the Board of Directors of the International Code Council.

David has been an advocate for resources for the ICC members, to help raise their profiles, and increase professionalism within the industry. He acknowledges the importance of following ICC's core mission to create the best codes, products and services. Mr. Spencer understands the importance of listening and understanding the perspective of all the organization's members.
