Mr. William "Bill" Bryant, Chair
2021 Nominating Committee
900 Montclair road
Birmingham, AL 35213

Dear Mr. Bryant,

I am requesting an interview with the 2021 Nominations Committee for the position of Secretary Treasurer to the ICC International Board of Directors.

I am currently employed with CC&I, Code Consulting and Inspection Services located in Roebuck, South Carolina. I have responsibilities as the Business Development Manager and Building Official for the Town of Irmo, the largest jurisdiction that we serve full time.

I have been active in ICC serving on a number of committees for the past seven (7) years as an ICC Board Member as well as other ICC Committees and boards in the past. I actively participate in Region VIII, Building Officials Association of South Carolina, and the Central Building Inspectors Association. I have also participated as ICC Board Liaison to Georgia, North Carolina, Tennessee, and other local State chapters here in South Carolina.

I have over 46 years' experience with building codes and inspections. I feel I bring a lot of experience and management skills and encourage a positive outlook on situations and offer good communication skills. I enjoy meeting people and interact very well in groups or one on one. If elected, I look forward to serving ICC for the next four (4) years.

Please, if there are any questions, please do not hesitate to reach out.
