Mr. William R. Bryant, Chairman of Nomination Committee  
c/o Dominic Sims  
International Code Council  
900 Montclair Road  
Birmingham, Alabama 35213

Mr. Bryant,

I am writing this letter of endorsement for Donnie Phipps for a position as Secretary/Treasurer to the International Code Council Board of Directors. Additionally, after contacting every Board member of the North Carolina Mechanical Inspectors Association, there was unanimous and over whelming support for Mr. Phipps.

Mr. Phipps has always shown interest in our Association as well as attended many of our conferences. We feel he would serve ICC well as he has in the past. He has accomplished many things in his years of service to all phases of the inspection field. We feel he would serve the members of ICC well.

We believe that he will be an asset as Secretary/Treasurer. We also believe that his vision for building safety and protecting the citizens is a credit to his character as a person making him a qualified candidate for this position.

Thanks for your consideration

Timothy Gray  
President  
North Carolina Mechanical Inspectors Association
