Early Bird Registration Now Open for the International Code Council's 2025 Annual Conference, Expo and Hearings

The annual conference will provide opportunities for networking, educational sessions and attending code hearings

Washington, D.C.— Registration is now open for the International Code Council's Annual Conference, Expo and Hearings to be held in Cleveland, Ohio from October 19-30, 2025. This year's conference offers industry-leading educational sessions, networking events, an insightful keynote speaker and opportunities to volunteer in the local community. Immediately following the conference is the second Committee Action Hearings of Group B proposals for the 2027 International Codes®.

[Register now](#) to receive the early bird discount and a free conference polo shirt. Early bird discounts end on Friday, September 12, 2025.

Conference attendees will have the opportunity to expand their knowledge and expertise through networking events and educational sessions. Attendees can also attend the Annual Business Meeting where important updates and decisions about Code Council leadership are made. Generational Consultant Kristin Scroggin (genWHY) will deliver a dynamic keynote session on interacting with different generations in the workplace including attracting and retaining the next generation. For more information, visit www.iccsafe.org/conference.

"Our annual conference is more than just a gathering- it's a forum to reimagine the future of building safety," said Code Council Chief Executive Officer John Belcik. "We believe it's important to support building safety professionals with opportunities to learn and expand their expertise so that they can continue to protect their communities."

Returning for its third year, the [Building Safety Leadership Experience](#) offers Code Council members an exclusive opportunity to advance their careers, network and hone their leadership skills. Participants receive complimentary registration to the annual conference and

reimbursement for associated airfare, ground transportation and lodging costs. Candidates will be selected by the Executive Committee of the Board of Directors. Click [here](#) to apply.

A thank you to this year's sponsors, including 4Leaf, Inc., Archistar, Johnson Controls, Plastic Pipe and Fittings Association, Safebuilt, Spatial Data Logic and Verisk. To learn more about sponsorship and opportunities to exhibit, [click here](#).
