

# GEW148-14

## 701.1

**Proponent:** Dru Meadows, The Green Team, Inc., representing Walmart  
(dmeadows@thegreenteaminc.com)

**Revise as follows:**

**701.1 Scope.** The provisions of this chapter shall establish the means of conserving water, ~~providing for safe water consumption~~ and protecting the quality of water resources.

**Reason:** It is not possible to ensure safe water "consumption" since anything may happen to the water after it is supplied. If the intent is to clarify that nothing in Chapter 7 should result in provision of unsafe water, then the clause should be deleted. Section 102 covers this point. It states that the provisions of the IgCC shall not be deemed to nullify any provisions of law, and that the IgCC is an overlay code to the I-codes. Health and safety are a given. The IgCC is addressing conservation and quality of our water resources.

If there is a different intent, then the clause should be revised appropriately.

**Cost Impact:** Will not increase the cost of construction.
