**Add new text as follows:**

**SECTION 410**  
**DRINKING FOUNTAINS**

**410.1 Drinking fountains.** Drinking fountains serving gymnasium areas shall be equipped with a water bottle filler. Not less than one water bottle filler shall be provided for each gymnasium.

**Reason:** To eliminate water being spilled on floors when students try to fill their water bottle from the bubbler.

**Cost Impact:** Will increase the cost of construction. Increase will be minimal compared to the overall cost of a school.
