Jay Elbettar, Chair  
ICC Nominating Committee  
c/o Dominic Sims, Chief Executive Officer  
International Code Council  
900 Montclair Road  
Birmingham, AL 35213

Dear Mr. Elbettar:

This correspondence is to announce my intention to run for the position of President on the International Code Council (ICC) Board of Directors. I am requesting the Nominating Committee to consider my candidacy as my continuing service to ICC and its diverse membership.

The enclosed resume demonstrates my longstanding commitment to the success of our profession. The highlights include past work on technical committees and on non-technical committees. In addition, I have included my service on the Board of Directors' committees. It has been my honor to contribute to the Audit, Budget, Investment and the Mergers and Acquisition Committees. Serving on these committees has provided the opportunity to be in the role of being a good steward for the financial health of the ICC. Serving as the Vice President has prepared me for the position that I now seek.

It has been a great honor to serve the Code Council in many capacities, and it is my intention to continue the success of the company as the premiere resource for all involved in the built environment. To that end, I believe I must continue to extend my service and run for the position of President. I believe that my well rounded experience and ability to see the big picture while still paying attention to the details have been demonstrated during my tenure on the Board of Directors. I will continue to assist in helping to formulate policy and direction, support the strategic plan, and recruit the right members for the right jobs to further the goals of ICC.

I want to thank the Nominating Committee in advance for the opportunity to discuss my ideas, abilities, and experiences.

Sincerely,

A handwritten signature in blue ink, appearing to read "Greg Wheeler", written over a blue horizontal line.

Greg Wheeler
