Subject: Endorsement of Sam Palmer for ICC Board Director-At-Large Director

Dear Mr. Coffman,

On behalf of the Southern Nevada Chapter of the International Code Council, I am writing to express our strong endorsement of Sam Palmer for the position of At-Large Director on the ICC Board of Directors.

Since joining our chapter and through his tenure in various leadership capacities, Mr. Palmer has consistently demonstrated his dedication to the advancement of a safe built environment. His extensive experience in both public sector roles and as a Board member of a national engineering firm has equipped him with a unique perspective and a robust skill set that would be highly beneficial at the Board level.

Mr. Palmer's commitment to the ICC's mission and his proven track record in leadership roles within the organization, including as Chairman of the ICC Major Jurisdiction Membership Council and President of ICC Region I, underscore his readiness to handle the complexities of an At-Large Director position.

Moreover, his proposals to enhance operational effectiveness and his insights into international business practices align with our strategic goals and would further our organization's mission.

Therefore, it is with great enthusiasm and confidence that we endorse Mr. Palmer for the role of At-Large Director, trusting that his vision and leadership will continue to drive our collective goals forward. We urge the Nominations Committee to favorably consider his candidacy.

Sincerely,

Linda Gallant
Chapter President
Southern Nevada Chapter, International Code Council
