Stuart Tom & Members of the
ICC Nominating Committee
c/o John Belcik, CEO
International Code Council
900 Montclair Road
Birmingham, AL 35213

Dear Chairman Tom and ICC Nominating Committee,

I am writing this letter to support Rachel Parrish in her candidacy for the ICC Board of Directors in an at-large position. Rachel has dedicated many hours in voluntary service for the ICC members. She has served in leadership roles in the Building Membership Council, Membership Council Steering Committee, and Codes and Standards Council at the national level. She has dedicated time in service as Treasurer in WICED-Texas, developing the newly formed ICC Alamo Chapter, and restarting Region X.

She is uniquely qualified for a board position with degrees in engineering and business, the Master Code Professional, Certified Building Official, numerous other ICC certifications, and certifications in process improvement and project management. She has experience in plan review, inspections, and code enforcement, and comes with a perspective that takes all into account. With this, I am happy to endorse Rachel in her candidacy.

If you have any questions or require additional information, please don't hesitate to contact me.

Sincerely,

John A. Hyman
