If your business goals for 2024 include raising your brand's visibility and staying top-of-mind with key decision-makers in the building safety community, we can help.

The International Code Council is the leading global source of model codes and standards and building safety solutions. Code Council codes, standards and solutions are used to ensure safe, affordable and sustainable communities and buildings worldwide.

Code Council products and services fall into seven main categories:

1. Codes & Standards
2. Membership
3. Product Evaluation & Testing
4. Accreditation
5. Professional Development & Training
6. Software & Technology
7. Consulting

Our mission is to provide the information, tools, and resources that members rely on, building safety professionals turn to, and the public trusts.

Sponsorship opportunities with the Code Council provide unparalleled access to building safety professionals including code officials, architects, engineers, builders, contractors, inspectors, plan reviewers, permit technicians and designers.

We offer many dynamic ways to showcase your brand including digital ads on our popular blog and in our newsletters, mentions on our podcast, and sponsorship opportunities during our educational programs, Building Safety Month and annual conference.

Our team is happy to help you choose the right mix of opportunities to reach your audience and your goals while maximizing your budget.

Thank you for your interest in sponsorship opportunities with the International Code Council. We look forward to working with you.

With sincere gratitude,

Dominic Sims, CBO

Building Safety Month (May, 2024)

Building Safety Month is an annual public awareness campaign culminating in May that is celebrated by jurisdictions worldwide to help individuals, families and businesses understand what it takes to create safe and sustainable structures. For more than 43 years, the campaign has reinforced the need for the adoption of modern, regularly-updated building codes, a strong and efficient system of code enforcement, and a well-trained, professional workforce to maintain the system.

The Code Council heavily promotes Building Safety Month to its members and chapters worldwide as well as professionals from the building construction, design and safety communities. Building Safety Month sponsors support the program because they understand the need for safe and sustainable structures where we live, work and learn.

Building Safety Month is made possible through the efforts of extraordinary sponsors who receive an unparalleled opportunity to standout as leaders in building safety. This campaign is a chance for sponsors to reach the Code Council membership, others in the built environment and the public. Each year we receive additional recognition and attention for the importance of building safety by community leaders around the globe.

International Code Council Expo

The 2024 International Code Council Expo is a place where exhibitors can educate and update building safety and design professionals. Take advantage of this opportunity to connect your organization with a broad audience of code officials, building safety professionals and other industry leaders to attract new leads and achieve your business development goals.

Why Attend

- Meet face-to-face with building safety and design professionals that are local, from across the country and around the world
- Demonstrate your product and show how it stands out from the competition
- Educate attendees about your products and services and why they are important to their business or next building project
- Establish your credibility as an expert by networking with attendees and helping them solve real world challenges

Benefits of Exhibiting

- Two (2) complimentary exhibitor badges for every 100 square feet of exhibit space*
- Complimentary listing on the Expo website (Listing includes company name, booth number, web address, and 100-word company description)
- Complimentary listing in the Mobile App (Listing includes company name, booth number, phone number, web address, company logo, and 100-word company description)
- Complimentary listing on signage located outside the main expo entrance (Listing includes company name and booth number)
- Use of the Expo logo and marketing materials to help with your exhibit promotions

Exhibitors are responsible for the following services (not included in booth space fee):

- Booth furnishings
- Booth carpet or floor covering (required)
- Inbound and outbound shipping and freight handling cost
- Electrical, Internet or other utility services
- Audiovisual equipment
- Booth installation and dismantling
- Booth cleaning

Exhibitors may promote their brand, products and services as long as these items do not, in the judgment of Show Management, rise to the level of advocating a position on a code hearing action. Advocating a position on a code change is strictly prohibited.

Exhibitor Rates

- $2,650 – Standard Fee (+$150 for corner)
- $2,150 – Early Bird Fee (+$150 for corner) [register by July 1, 2024]

ICC ADVERTISING GUIDELINES

1. Construction related product advertisements from manufacturers, vendors and service providers are encouraged and will be accepted for inclusion in Code Council publications, such as BSJ Weekly and the Building Safety Journal. However, outside of arrangements made with the Code Council, advertisements promoting the following categories will not be accepted:
   a. Safety Codes and Standards not referenced in the ICC Family of Codes
   b. Product and System Evaluation Services
   c. Plumbing, Mechanical and Fuel Gas Services
   d. Sustainability (Green) Evaluation and Verification Services
   e. Training, Education and Certification on Codes and Standards
   f. Building Department Accreditation and Accreditation Services
   g. Plan Review Services

2. The Code Council must approve all advertisements and reserves the right to refuse any advertisement for any reason.

3. The Code Council will not accept advertising unless the client is prepared to validate any claims, issues or statements made in the advertisement about a product, material, system, method or service.

4. The Code Council will not accept advertising that contains comparisons to or derogatory, disparaging or inflammatory comments about the client's competitors or about competing products or services.

5. The client acknowledges that an advertisement in a Code Council publication does not constitute, and shall not be interpreted as an endorsement by the Code Council of the client's organization, product, material, system, method or service.

6. It is understood that clients shall not use the Code Council name or image in their commercial activities in any manner that would directly or indirectly indicate the Code Council's endorsement of the client, or product, system or services, unless there is a contractual agreement with the Code Council.

7. The Code Council does not accept advertising that is discriminatory based on race, religion, color, national origin, sex, age or disability.

Acceptance of Contracts

1. No rebates will be allowed for errors in submitted advertisements.

2. The client and/or the client's agency agree to indemnify the Code Council against all expenses of any nature arising from the unauthorized use of names or pictures and copyright infringements in their advertisements.

3. No contracts will be accepted for more than 12 months in advance.

4. An order may be canceled by the Code Council if the client(s) fail to pay accounts when due, and the difference between rates billed and rates earned on space used shall become due and payable immediately.

5. Cancellation policy: Client must cancel in writing, including reason for canceling. Written notice must be received via email 7 business days prior to the scheduled issue.

6. The Code Council is not bound by any condition or instruction, whether verbal or written, if it is in conflict with ICC's established policies.

7. Contracts must specify a definite schedule of insertions, issues and advertisement sizes.

8. All advertising rates and conditions are subject to change without notice.
As your organization reaches ascending thresholds of Code Council sponsorship, exhibiting and/or advertising, it will also receive the ‘over and above’ benefits outlined below.
