

## Big Sky Country – Montana's ICC Chapter

August 25, 2025

Members of the ICC Nominating Committee  
c/o John Belcik, CEO  
International Code Council,  
RE: ICC Board Position (Section B)

Whom it may concern,

The Big Sky Country – Montana's ICC Chapter (BSCMTICC), is pleased to provide a letter of support for Jessica Fust candidacy for the ICC Board of Directors in the Section B position.

Jessica previously served on the Montana Chapter Board and now holds the position of Director at Large for our newly revitalized chapter. With extensive experience as the Chief Building Official in Billings—the largest city in Montana—she remains actively engaged in the state code development process. In addition to her local involvement, Jessica has contributed to several ICC Committees and participates at the national level as well.

Having worked with Jessica in Montana, I am confident she would be an effective and dedicated board member. Her core values as a Building Safety Code Professional align with ICC's mission of promoting sustainable and safe practices, supporting code development. Jessica's appointment would enable her to represent the International Code Council with honor and distinction. Jessica has the Big Sky Country – Montana's ICC Chapter's full endorsement.

Sincerely,

*Ben Abbey*
