RE: Letter of support for at-large position ICC Board of Directors

Dear Chairman Tom and ICC Nominating Committee,

The Wyoming Chapter of the International Code Council would like to express their support for Jack Applegate as he seeks re-election for his position to the board member position of the International Code Council. We fully endorse Mr. Applegate for the member at-large position.

Mr. Applegate's dedication and service has been proven on the local, regional, and national level as he has been involved in numerous committees and leadership roles. He has been faithfully serving the public and his peers for many years. WCBO is proud to have Jack as an honorary member, we appreciate his support, and we always look forward to his involvement and visitation to our chapter meetings.

Jack is very dedicated and committed to supporting the efforts of the International Code Council, to provide the highest quality codes, standards, and services for the safety and welfare of all people in the building environment

Sincerely,

Sean Collier  
President, Wyoming Chapter ICC
