Re: Jurisdictional Letter of Support for Jack Applegate

Dear Mr. Tom and Nominations Committee Members:

I am pleased to write this letter of support on behalf of the City of Estacada, Oregon for Jack Applegate to pursue his re-election to the Board of Directors with the International Code Council. Jack has been, and continues to be, an asset to the City, and we will fully support him in this endeavor.

We recognize the potential value and benefits to all parties should Jack be successful in the 2025 fall elections. Jack has shown the ability to lead and to serve on state, regional and national boards and he effectively works with our elected officials in the legislature for the benefit all of Oregon Building Departments programs.

Jack has consistently protected the health, safety, and welfare of our citizens by ensuring safe buildings and communities. He continues to diligently provide assistance to code committees, tribal nations, the legislature, and in the adoption of the highest quality codes, standards, products, and services for everyone who is concerned with the safety, sustainability, and performance of buildings for our citizens.

Please feel free to call or email me if you have any questions.

Sincerely,

Melanie Wagner  
City Manager
