

The Association of Minnesota Building Officials

"Safe Homes – Resilient Communities"

August 12, 2022

Dear ICC Nominating Committee,

The AMBO Board of Directors is supporting the election of Jack Applegate as a Director at large to the ICC Board of Directors.

His past service on the ICC Board of Directors, leadership in Region II. His active involvement in promoting our profession at the local community colleges, and his support of the chapters is vital as we continue to move forward and seek to bring forth the next generation of code officials.

Jerry Backlund
