RE: ICC Board Nomination for Jack Applegate

Dear Chairman Wheeler and Nominating Committee Members,
Please accept this letter of support for candidate Jack Applegate in his bid for the At-Large Director of the International Code Council.

Jack continues to demonstrate his commitment to the industry by providing service, dedication, and leadership, which is supported by his extensive resume & credentials. He participates in a variety of activities, serves on committees, and is involved in various groups both regionally and nationally.

Mr. Applegate began participating on Committees at the ICC and Regional level ten years ago and he continues to look for ways to add value as a Code Professional. This is seen in the programs he has developed for Veterans and their families, and in promoting opportunities for emerging leaders.

It is my belief that Jack will continue this work on the ICC Board of Directors following the Board's outlined Vision, Mission, and Values. I look forward to all the great things he will do while serving in this capacity.

Respectfully Submitted,

Samantha Vandagriff
