RE: ICC Board Nomination for Jack Applegate

Dear Chairman Wheeler and Members of the Nominating Committee:

As President of the Chemeketa Chapter of ICC I am writing on behalf of our student chapter in support of Jack Applegate for election to the ICC Board of Directors at the 2022 Annual Business Meeting. Jack Applegate's nomination was discussed by the Chemeketa Chapter. Unanimous consensus was given to support Jack in his bid for election to the Board. We support Jack for the following reasons:

- Jack has been a featured speaker and attended our chapter meetings on numerous occasions.
- Jack is a military veteran who has connected numerous military veteran students and encouraged them through ICC's Military Families Career Path Program.
- Jack stresses the power of networking and getting involved in ICC activities, including Building Safety Month, Safety 2.0, and the Emerging Leaders Membership Council.
- Jack has hired Chemeketa graduates and he himself is a graduate of the program.

The Chemeketa Chapter of ICC is led and organized by students. We learn leadership and networking skills as we pursue a 2-year AAS degree in Building Inspection Technology. Training the next generation of code professionals is something Jack is passionate about and he has demonstrated this through his involvement with Chemeketa. We strongly and enthusiastically support Jack's candidacy for election to the ICC Board of Directors.

Respectfully,

Alyssa Stone, Chemeketa Chapter ICC President 2022/2023
