RE: ICC Board Nomination

Dear Chairman Wheeler and Members of the Committee:

As president of the Eastern Washington Chapter of the International Code Council I am writing in support of Jack Applegate for election to the ICC Board of Directors at the 2022 Annual Business Meeting.

Mr. Applegate is well known in the industry and in multiple states as a code official that is involved and supports all of the ICC chapters. He continues to support and mentor many individuals within the various aspects of code administration. Mr. Applegate also has shown a longstanding passion for the building codes. He understands the purpose and the intent of the code development process. Mr. Applegate has worked diligently to educate himself on all the issues in order to make decisions that best serve the ICC membership along with the organization. He continues to advocate for resources for the membership to raise their profiles and increase professionalism within our industry.

Mr. Applegate would be an asset to the Board and to the members. Eastern Washington strongly support and recommend Mr. Applegate.

Thank you for your consideration.

Sincerely,

Troy Hendren, CBO,
Building Official and Fire Marshal for the City of Pasco, Washington
EWICC Chapter President
