RE: Jack Applegate, Board of Directors International Code Council

Dear Chairman Wheeler and Nominating Committee,

It is my true pleasure to write this letter of support on the behalf of the Metropolitan Kansas City Chapter of the International Code Council for Jack Applegate, Director at Large, for the International Code Council.

We have reviewed Mr. Applegate's resume, credentials, and his performance as an active member of the ICC. All of these documents speak volumes of who he is as a member of ICC and as a person, full of integrity.

With the experience that Mr. Applegate brings to the table as a veteran of the US military, he has some deep connections that can be built upon to offer opportunities to our community of veterans, providing not only job opportunities for them, but a chance to give them self-worth. With the leverage that ICC has as a national organization and Mr. Applegate's experience, not only as a veteran but as a member of ICC, the two combined could provide a benefit to countless veterans across our country.

Mr. Applegate has also become friends with several of our chapter members and understands the value of those relationships.

The Metropolitan Kansas City Chapter is proud to support Mr. Applegate's nomination for the position of Director at Large for the International Code Council.

Respectfully,

Eirene Knott, Treasurer
