Re: Support of Jack Applegate, ICC Board of Directors

Dear Chairman Wheeler,

On behalf of ICC Region VI, Northeast Region Coalition (NERC), which represents code professionals, design professionals and construction industry experts of Connecticut; Massachusetts; Maine; New Hampshire; New York; Rhode Island and Vermont, we express our support for Jack Applegate for appointment to the International Code Council's Board of Directors.

Jack Applegate has a distinguished professional career in the building codes administration profession as well as serving on several local, state and national associations, boards, councils and committees including with the ICC. Jack is staunch supporter of our veterans, has developed, and supported many veterans programs in his region as well with the ICC. Jack's commitment to programs he is involved in is admirable and this commitment will serve the members well on the ICC Board.

ICC Region VI unanimously supports Jack Applegate for Director with the International Code Council's Board of Directors.

Respectfully,

William A. McKinney
