RE: ICC Board Nomination

Dear Chairman Wheeler and Members of the Committee:

As President of Western Washington Chapter of ICC (WWCICC), Chapter of the International Code Council, I am writing in support of Jack Applegate for election to ICC Board of Directors Director at Large Position at the 2022 Annual Business Meeting in Louisville, Kentucky. His nomination was discussed and approved by the Western Washington Chapter of ICC during our July 2022 executive board meeting and a unanimous consensus was given to support him in this endeavor.

As a contributor to our local chapter, Mr. Applegate has continuously supported as well as playing an active role in our state and regional chapters. He has been an inspiration to many and is well known in the industry and our region as a code official and as an ICC Board Member. Mr. Applegate has distinguished himself in the industry and in his role on the ICC board of directors and committees, through his continuing focus to do what is best for the membership and ICC as an organization. Mr. Applegate also has shown a longstanding passion for the building codes and the code development process. Mr. Applegate has worked diligently to educate himself on all the issues in order to make decisions that best serve the ICC membership along with the organization. He continues to advocate for the membership to raise their profiles and increase professionalism within our industry.

Western Washington Chapter of ICC fully supports Mr. Applegate's service on the ICC Board of Directors because his experience and passion will continue to serve the ICC organization and its membership in the future.

Thank you for your consideration.  
Sincerely,
