Dear Committee Members,

The Idaho Association of Building Officials is pleased to endorse the candidacy of Jack Applegate for the position of Director-at-Large on the ICC Board of Directors.

We have known Jack for many years, including during his time as President of the ICC, and appreciated his personal attention to our chapter over the years. We feel that his continued service can only help both the local chapters and the International Code Council.

We believe that his experience makes him an asset to the Board. The Idaho Association of Building Officials supports Jack in his request for election to the position of Director for the ICC Board of Directors.

Respectfully,

Justin Goodwin  
President, Board of Directors
