ICC 2025 Nominating Committee Chair, Stuart Tom
c/o Will Coffman, Deputy General Counsel
International Code Council
Eastern Regional Office
900 Montclair Road
Birmingham, AL 35213

Dear Mr. Tom:

On behalf of the Iowa Permit Technicians Association, I am pleased to offer our strong endorsement for Jack Applegate’s re-election to the International Code Council (ICC) Board of Directors as an At-Large Director.

Throughout his tenure with ICC and in his broader career, Jack has shown a deep commitment to the values of inclusion, mentorship, and growth—values that closely align with our mission as an organization. His leadership has helped shape vital initiatives supporting veterans, tribal communities, and emerging leaders. Those programs, and Jack’s personal investment in them, speak volumes about his vision for a stronger and more representative future for our profession.

Permit technicians have often been an under-recognized segment of the code community, but Jack has consistently elevated voices like ours. His advocacy for accessible training, leadership development, and inclusive pathways has made a lasting impact and reflects the forward-thinking leadership ICC needs.

We are proud to support Jack Applegate for re-election to the ICC Board of Directors and confident he will continue to bring integrity, innovation, and dedication to this important role.

Thank you for your consideration.

Sincerely,

Jennifer Naylor
