Greg Wheeler, Chairman/ICC Nominating Committee  
International Code Council  
900 Montclair Road  
Birmingham AL 35213:

Minnesota Building Permit Technicians Association (MBPTA) has received a request to support Jack Applegate's candidacy for election to the 2022 ICC Board of Directors Director at Large position.

We are pleased to write this letter in support of Jack's candidacy.

In an effort to benefit the MBPTA members, we have historically found that supporting the candidates our ICC Region III Board members support for ICC's Board of Director seats, has had the largest impact for us.

I met Jack at the Leadership Academy in Colorado this year. Although I did not have a lot of time to speak with Jack, his participation and input during the Academy was valuable and insightful.

The ICC Region III Board members have been very vocal with their support of Jack's contributions with regard to his Military Family support and Safety 2.0 programs. They are excited to see what Jack's future with ICC has in store. His leadership, his knowledge, and his contributions have caught their eye. Therefore, MBPTA is fully behind supporting Jack's candidacy to the ICC Board of Directors.

We wish to thank Jack for his commitment to the industry, continued support for Building Permit Technicians, and sincerely wish him the best in his campaign endeavor.

Sincerely,

Pam Christensen  
President - MBPTA
