Re: Support of Jack Applegate, ICC Board of Directors

Dear Chairman Wheeler,

On behalf of the New Hampshire Building Officials Association (NHBOA), we express our support for Jack Applegate for appointment to the International Code Council's Board of Directors.

Jack Applegate has a decade's long career in the building codes administration profession as well as serving on several local, state and national associations, boards, councils and committees including with the ICC. Jack has been very involved with and has participated in several of ICC's past Chapter Leadership Academies learning and sharing ideas alongside our next generation of leaders. Jack is staunch supporter of our veterans, has developed, and supported many veterans programs in his region as well with the ICC.

Jacks commitment to programs he is involved is admirable and this commitment will serve the members well on the ICC Board.

The Governing Board and members of NHBOA unanimously support Jack Applegate for Director with the International Code Council's Board of Directors.

Respectfully,

William A. McKinney
