RE: ICC Board Nomination for Jack Applegate

Dear Chairman Wheeler and Nominating Committee Members,

Please accept this letter of support for candidate Jack Applegate, in his bid as At-Large Director of the International Code Council.

Jack has demonstrated a commitment of service, dedication, and leadership, which is supported by his extensive resume & credentials, his participation in a variety of activities, as well as the Committees, and groups that he has participated on, both regionally and nationally.

Mr. Applegate began participating on ICC and Regional Committees ten years ago and he continues to look for ways to add value as a Code Professional. This is seen in the programs he has developed for Veterans and their families, and in growing opportunities for emerging leaders.

It is our belief that Jack will continue this work on ICC Board of Directors, following the Board's outlined Vision, Mission, and Values and we look forward to all the great things he will do while serving in this capacity.

Respectfully Submitted,

Amy Williams
