Dear Chairman Wheeler and Nomination Committee Members,

On behalf of the Board of Directors for Oregon Permit Technicians Association, we would like to express our written support of Jack Applegate for election to the ICC Board of Directors, as an At-Large Director.

Mr. Applegate's commitment to ensuring a safe built environment, in conjunction with years of involvement throughout various ICC roles makes him a good candidate for this position. Taking on supportive board roles within states he does not reside in, to provide guidance, and advancing programs that facilitate the leaders of tomorrow are all valuable characteristics of a leader. It is for these reasons we feel his drive will prove an excellent addition to the current ICC Board of Directors.

Over the years, Mr. Applegate has supported and encouraged not only the OPTA but all of Region II. Please accept OPTA's support in nominating Mr. Applegate for the position of At-Large Director during the Annual Business Meeting in Louisville, KY.

Sincerely,

Michele Linbarger, President
