

**James Brooker**  
151 Doug Nix Rd. Cleveland, GA 30528  
678-297-6080 jbrooker@alpharetta.ga.us

**Objective:** To obtain position of Director at Large with International Code Council

**Experience:** 1994-1996: Rodney Hornbuckle Construction Company in Dalton, GA

- Carpenter: Read blueprints and layout house to plans. Framed houses under construction.

1996-2001: Dalton Utilities in Dalton, GA

- Wastewater Treatment Land Application field reconnaissance team. Investigate and repair damage wastewater lines in the Land Application. Pipe Fusion of Polyethylene Pipe to main lines. This was to prevent treated wastewater from entering Waters of the State.

•

2001-2003: W.L. Haley Construction out of Nashville, TN

- Pipe Fuser: Heat fuse Polyethylene Pipe for sewer line and water lines.
- Equipment operator: Service and ran equipment for digging lines for sewer and water.
- Relocated equipment to different areas in the county where equipment was needed for a specific job task.
- Erosion control installer:
- Install Best Management Practices (BMP') to control erosion. Maintained BMP's during installation of sewer and water lines.

2003-2006: Whitfield County Board of Commissioners in Dalton, GA

- Erosion Control Officer: Ensured that BMPs were installed correctly on job sites. I would have to write notice of violations to those out of compliance.
- Code Enforcement Officer: Enforce the county ordinances thru out the county. I would have to write notice of violations to residences out of compliance with the ordinances.
- Building Inspector: Review building plans before issuance of permits. I would inspect job sites during construction to ensure that the jobs were compliant with the Building Code, Electrical Code, Plumbing Code, and the Mechanical code.

2006-Present: City of Alpharetta in Alpharetta, GA
